

## Kinmount and District Health Centre

We're searching for additional family physicians to practise in Kinmount, Ontario. Approximately two hours northeast of Toronto, the Kinmount & District Health Centre is a thriving clinic located in Ontario's beautiful cottage country, at the intersection of Haliburton County, Peterborough County and the City of Kawartha Lakes.

Vacancies: 2

Anticipated Start Date: As soon as possible

### Location:

Kinmount and District Health Centre  
5100 County Road 503  
Trent Lakes, ON K0M 2A0

Note: A procedure room can be made available in Bobcaygeon at:

85 Bolton St.  
Bobcaygeon, Ontario  
K0M 1A0  
705-738-6136  
Fax: 705-738-3771

Language: English

Terms of Employment: Full-time; 40 hours per week to qualify for the NRRRI (over \$80,000 paid over 4 years)

Salary: Fee-for-Service with possibility to join the City of Kawartha Lakes FHO

(Approximately \$200,000 to \$300,000 per year depending on patients seen)

- Note that physicians starting a full-time (40 hours/week) practice in Kinmount may be eligible to apply for the NRRRI provided they meet all the criteria. Important: Please refer to the Health Force Ontario website for details:

<https://www.health.gov.on.ca/en/pro/programs/northernhealth/nrrr.aspx>

### A Great Place to Work

- The Kinmount & District Health Centre is over 650 square meters (7,000 square feet) and includes offices and examination rooms to accommodate three doctors, a physiotherapist and visiting specialists.
- Offices and examination rooms are fully equipped.
- The Health Centre is currently home to one family physician with a successful and rewarding practice of 23 years.
- An immediate patient base awaits our new doctor.

- Physicians in the City of Kawartha Lakes FHO typically see 1200 - 1400 patients. This can be negotiated.

**Work Setting:**

- A fully-equipped facility in Kinmount that is currently owned by the Municipality of Trent Lakes
- Should a procedure room be required to serve the patients of Kinmount and District, one may be made available in nearby Bobcaygeon.
- Low overhead costs are shared by physicians; the overhead split is typically 20 % to cover all physician commitments.

**EMR used:** TELUS Health PS Suite

**Experience:** None. Supervision is available, if required.

**Education:**

- Doctor of Medicine plus two to three years of family medicine residency training approved by the College of Family Physicians of Canada (CFPC)
- Completion of the qualifying examination of the Medical Council of Canada (MCCQE Part 1)

**License:**

- Eligible to be granted a certificate of registration from the College of Physicians and Surgeons of Ontario (CPSO).

**Benefits to You**

- \$20,000 incentive provided over 3 years by the local Health Services Foundation
- Physicians who meet the criteria may apply for the NRRRI which provides more than \$80,000, paid over 4 years
- An immediate patient base
- Flexible hours
- Low overhead costs
- Interprofessional team support via the City of Kawartha Lakes Family Health Team (e.g. nursing, social work, pharmacy, dietetics, occupational therapy, respiratory therapy, footcare, phlebotomy)
- Well-respected and supportive colleagues and staff
- The Kinmount Health Centre features a modern and well-equipped physiotherapy room, an onsite pharmacy staffed with professionals, a specimen collection lab, a bright, roomy reception area, and meeting rooms
- Ongoing community support

**Main duties:**

General practitioners and family physicians perform some or all of the following duties:

- Examine patients and take their histories, order laboratory tests, X-rays and other diagnostic procedures and consult with other medical practitioners to evaluate patients' physical and mental health
- Prescribe and administer medications and treatments
- Perform and assist in routine surgery
- Provide emergency care
- Provide acute care management
- Vaccinate patients to prevent and treat diseases
- Deliver babies and provide pre-natal and post-natal care
- Advise patients and their families on health care including health promotion, disease, illness and accident prevention
- Provide counselling and support to patients and their families on a wide range of health and lifestyle issues
- Perform patient advocacy role
- Co-ordinate or manage primary patient care
- Provide continuous care to patients
- Supervise home care services
- Report births, deaths, and contagious and other diseases to governmental authorities.

#### Kinmount & District: A Great Place to Live

- Fresh country air
- Scenic natural environment
- Good roads, little traffic, ample free parking
- A variety of excellent housing and land opportunities
- Four-season outdoor recreation, including boating, cycling, hiking, golf, skiing, snowmobiling, hockey, curling, snowshoeing, fishing and more
- Easy access to indoor recreation centres, clubs, services and cultural activities, including churches, schools, shopping, and the arts
