- Provide health promotion, disease prevention and chronic disease management care to patients
- Consult as appropriate, with physicians, members of an interprofessional care team, the local hospital, medical clinics, community care systems and the surrounding community to assess, plan, implement, evaluate and coordinate a patient's plan of care and treatment
- Advocate, educate, lead, provide mentorship, and consult as needed
- Collect data as required for statistical/reporting purposes
- Model the values and philosophy of the FHT

Education/Experience:

- Completion of a recognized Primary Care Nurse Practitioner program: NP-PHC, Extended Class
- A Masters of Nursing considered an asset
- Current registration with the College of Nurses of Ontario (CNO), with no practice restrictions
- Member in good standing of RNAO/NPAO, including professional liability insurance program
- A minimum of 2 years of experience, preferably in a primary care setting
- Possess and maintain current CPR certification

Skills/Abilities:

- Possess independent health care assessment, patient management and clinical skills
- Knowledge and proficiency in current, evidenced-based methods and practices of primary care delivery, with an emphasis on health promotion and risk reduction
- Experience working with interprofessional care teams and the ability to work effectively with clients, physicians and community partners
- Demonstrated organization, communication, evaluation and problem-solving abilities
- Ability to work accurately with attention to detail and to manage competing demands
- Proficiency in the use of computer hardware/software, particularly in Microsoft Word, Excel and Outlook
- Experience working within an EMR, specifically Telus/Practice Solutions (PS Suites) would be an asset

Additional Requirements:

- Current and ongoing membership in good standing with the applicable college or regulatory body for your practice area and proof of liability insurance
- Criminal Records and Judicial Matters check or Vulnerable Sector screening (if applicable) that is acceptable to the CKLFHT
- Proof of current immunization in accordance with the most up-to-date Canadian Immunization Guide for Healthcare Workers in a form acceptable to the CKLFHT,
- Possess a valid driver's license, have regular access to a vehicle and be able to travel within the community

Annual Salary: up to \$124,415

- temporary employees receive 4% vacation pay and 4% in lieu of all benefits.
