Family Health Team

Pharmacist

(Permanent, Part-time 0.4 FTE / 15 hours per week)

The CKLFHT provides team-based primary health care, including chronic disease management, health promotion and disease prevention, to approximately 37,000 patients through an interprofessional care team of 42 staff and 25 physicians. The CKLFHT serves its community through clinics in Lindsay, Bobcaygeon, Fenelon Falls, Little Britain, Omemee, and Woodville.

CKLFHT supports diversity and is a workplace free from harassment and discrimination. We encourage applications from all qualified candidates, including women, visible minorities, Indigenous peoples, 2SLGBTQ+, and persons living with a disability. The CKLFHT is committed to improving access and opportunities for individuals living with disabilities. If you require a specific accommodation please call 705-328-9853, ext. 249 or fax: 705-328-9401 or by email at k.smith@cklfamilyhealthteam.com noting **Accessibility Inquiry** in the subject line.

The CKLFHT understands the primacy of behavioural health and the intersection of medical and psychosocial needs that is prevalent in our society today.

Our FHT is currently seeking a permanent, part-time Pharmacist to join its growing team of health care professionals. Pharmacists are a key part of the patient care circle and should be comfortable working to their full scope of practice. The Pharmacist will function in close collaboration with physicians, Nurse Practitioners and the FHT's interprofessional care team. As a vital member of the patient focused team, the Pharmacist will provide clinical services in conjunction with all health care services to children and adults. The role includes both the provision of direct patient care as well as assisting in the development of the programs, resources and the creation of linkages within the CKLFHT and the community.

As a Pharmacist with our team, you will:

- Provide pharmaceutical care to patients, including but not restricted to: drug therapy monitoring, consultation and intervention which includes ensuring appropriateness, providing recommendations, assessment, evaluation, and interventions as required
- Provide individual medication counselling for patients and families on the proper administration, drug indication, mechanisms of action, adherence and other related information
- Communicate with physicians, patients, and/or other interprofessional care team members for prescription clarification and problem resolution
- Share expertise and knowledge of the impact of medications on chronic disease management with clients and their families, as well as other health care professionals
- Advocate, educate, lead, provide mentorship, and consult as needed
- Collect data as required for statistical/reporting purposes
- Model the values and philosophy of the FHT

Education/Experience:

- Doctor of Pharmacy (PharmD) or Bachelor of Science in Pharmacy degree required
- Current registration with the Ontario College of Pharmacists with Part A licensure
- Current membership in one or more professional association (i.e. Ontario Pharmacists Association, Canadian Society of Hospital Pharmacists, Canadian Pharmacists Association) is considered an asset
- Completion of certification program such as the Geriatric Certificate Program, Management of Oral Anticoagulation Therapy in Primary Care (MOAT) etc., would be an asset for this role

Skills/Abilities:

- Ability to assess medication management needs in a variety of settings and collaboratively identify priorities
- Knowledge and proficiency in current, evidenced-based methods and practices of primary care delivery, with an emphasis on health promotion and risk reduction
- Experience working with interprofessional care teams and the ability to work effectively with clients, physicians and community partners
- Demonstrated organization, communication, evaluation and problem-solving abilities
- Ability to work accurately with attention to detail and to manage competing demands
- Proficiency in the use of computer hardware/software, particularly in Microsoft Word, Excel and Outlook
- Experience working within an EMR, specifically Telus/Practice Solutions (PS Suites) would be an asset

Additional Requirements:

- A Criminal Records Check with Vulnerable Sector screening that is acceptable to the FHT
- Provision of credentials and qualifications (diploma, degree, professional membership, etc.)
- Proof of two valid vaccine doses of Covid19 and any recommended boosters or proof of a medical exemption accommodation under the Ontario Human Rights Code
- Current and ongoing membership in good standing with the applicable college or regulatory body for your practice area
- Registration and proof of liability insurance
- Proof of current immunization in a form acceptable to the FHT, in accordance with the most up-to-date Canadian Immunization for Healthcare Workers
- Possess a valid driver's license, have regular access to a vehicle and be able to travel within the community
- Be legally entitled to work in Canada

Annual salary: up to \$100,044 (would be pro-rated to 0.4 FTE)

How to Apply: Qualified applicants are asked to forward their cover letter and resume to the attention of:

Kimberlee Smith, CHRL
Human Resources Manager
Fax: 705-328-9401 E-mail: k.smith@cklfamilyhealthteam.com
