- Model the values and philosophy of the FHT

Education / Experience:

- Baccalaureate of Science in Nutrition or equivalent from a recognized university
- Registered Dietitian with the College of Dietitians of Ontario and in good standing
- Minimum 2 years of clinical experience as a Dietitian, preferably in a primary care setting

Skills /Abilities:

- Provide medical nutrition therapy on a diverse range of conditions from managing enteral nutrition, chronic disease management, gastrointestinal, pediatric, mental health and additions, reproductive and cancer care
- Practices with a non-diet approach model and applies a Health and Every Size (HAES) motto in the delivery of care
- Developed skills and competency with teaching and counselling, using mindful and intuitive teaching approaches
- Knowledge and proficiency in current, evidenced-based methods and practices of primary care delivery, with an emphasis on health promotion and risk reduction
- Experience working with interprofessional care teams and the ability to work effectively with

clients, physicians and community partners

- Demonstrated organization, communication, evaluation and problem-solving abilities
- Ability to work accurately with attention to detail and to manage competing demands
- Proficiency in the use of computer hardware/software (Word, Excel, Outlook, PowerPoint)
- Experience working within an EMR, specifically Telus/Practice Solutions would be an asset
- Ability to carry out the physical and emotional demands of the position

Additional Requirements:

- Current and ongoing membership in good standing with the applicable college or regulatory body for your practice area and proof of liability insurance
- Criminal Records and Judicial Matters check or Vulnerable Sector screening (if applicable) that is acceptable to the CKLFHT
- Proof of current immunization in accordance with the most up-to-date Canadian Immunization Guide for Healthcare Workers in a form acceptable to the CKLFHT,
- Possess a valid driver's license, have regular access to a vehicle and be able to travel within the community

Annual salary: up to \$76,785

(this would be pro-rated to full time equivalency, based on # of days per week)

- Plus 4% (of earnings) in lieu of vacation
